

Baby Photo's Information form

- I. Choose a song.
 - A. Time the song out. This determines the number of pictures you will need. If you use the number on CD box, subtract 5 seconds from that. They are not exact.
 - B. Record the song onto an audio cassette or you could provide the CD, you will get it back with the video.
- II. Determining how many photo's you will need.
 - A. Each picture is videotaped for 5 seconds. Which is plenty of time for a viewer to see it.
 - B. Twelve photo's require 1 minute of music
 - C. Once you get your total number subtract 2 from it for titles.
- III. Choosing pictures.
 - A. Pictures have to be between the sizes of 1" x 1" to 8" x 10".
-Please do not send any pictures smaller than 1" x 1", they are too small to shoot.
 - B. The pictures can be either black & white or color.
 - C. Please do not send photo's with creases in them or ones that are out of focus. That's the way they will show up on the video.
 - D. Try and choose pictures of when the bride and groom are growing up, and some of them together. Try and end with an engagement picture of them.
- IV. Numbering the photo's.
 - A. Place the photographs in the order you wish them to be shot.
 - B. Number each picture. This ensures the order, encase they fall out of the order.
- V. When they are to be delivered.
 - A. The photo's and the Music will be asked for by the Videographer, about 1 month before the ceremony.
 - B. If for some reason they are forgotten, please have them the day of the wedding.
